- Post Anesthesia Care Unit Medical (PACU) Issues
- Preoperative Assessment: Essentials for Preparing the Patient for Surgery
- Update in Perioperative Cardiology
- Preoperative Pulmonary Risk Assessment: COPD, OSA, Smoking
- Cardiac Risk Indices: Use and Abuse
- Valvular Heart Disease and the Patient Undergoing Non-Cardiac Surgery
- Application of the Guidelines for VTE Prophylaxis in the Surgery Patient
- Important Postoperative Cardiac Complications
- Neurosurgery and Neurology: Important Management Issues for the Medical Consultant
- Management of the Diabetic Patient Undergoing Surgery
- Elderly Patient Undergoing Non-Cardiac Surgery
- Managing Warfarin or the Direct Oral Anticoagulants (DOAC) in the Perioperative Period

CME Credit and MOC Points
The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. The ACP designates each enduring material listed below for the number of AMA PRA Category 1 CME Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME 75 Package: 75 AMA PRA Category 1 CME Credits™
CME 15 Package: 15 AMA PRA Category 1 CME Credits™

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn medical knowledge MOC points as listed below in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

CME 75 Package: 75 MOC Points
CME 15 Package: 15 MOC Points

Deadline to claim CME credit and MOC points is May 1, 2020. MOC points must be claimed within the same calendar year as CME credits.
Need just a few credits?

FAQ

How soon will I have access to my presentations?
After you place your order, you will receive an email which includes your login information to access your PlaybackACP account. Once you log in, you will have immediate access to stream or download your recordings. You MUST always log into your account to have access.

What devices can access my presentations?
You may STREAM your content on any computer with internet access including all mobile devices. You may DOWNLOAD the PlaybackNow APP for easy access to all of your content.

What is the difference between streaming and downloading?
Both streaming and downloading require internet access. Streaming-only requires constant internet access to receive the presentations. Downloaded files are stored on your device for easy access anytime, anywhere.

Can I download the entire package?
You may download each presentation one at a time. The USB Flash Drive makes moving all the presentations easy with a single copy and paste.

What are other advantages to the USB Flash Drive?
The 32 GB Flash Drive includes BOTH the Audio MP3 files and Video MP4 files for easy transfer. The Flash Drive is menu based so all you need to do is plug and play.

How do I claim my CME Credit and MOC Points?
All claims for CME Credit and MOC Points must be submitted online. After successfully passing each quiz, you will be automatically directed to the ACP website. You will log in to your ACP account and then submit for CME Credit and MOC Points. CME Credit and MOC Points from each package is designated to one user account and cannot be shared. Institutional users can purchase access for multiple users, each of whom can earn CME Credit and MOC Points. Call 1-770-447-0616.

Order| Includes| Total CME Credit and MOC Points| Price
---|---|---|---
CME 75 Package Streaming and Download| 75 Internal Medicine Sessions with CME Credit and MOC Points| 75| $995
