Internal Medicine Meeting 2016 recordings offer you a selection of over 170 Scientific Program Sessions and Pre-Courses. Now you can get the sessions you missed and the ones you want to have for your library. Recordings are available in a variety of packages and formats so you can choose the combination that works best for you. Packages are delivered on a USB flash drive (or you can select the option for a disc).

**The Works—This Package Has It All!**
The most comprehensive meeting recording package. This package contains over 170 sessions combined with six Pre-Courses and reference material. If you can’t decide on a format, not to worry—this package gives you all available formats: Audio and AudioPoint, delivered on USB flash drive or optional disc, plus Instant Online Access. Free domestic shipping is included.

**Pre-Meeting Price**
Audio, AudioPoint, Online: $1295

**The Complete Internal Medicine Package**
This package has all 170+ recorded scientific program sessions and six Pre-Courses, plus PDFs of all related reference materials. Delivered on USB flash drive or optional disc. Choose your preferred learning format.

Audio: $795  AudioPoint: $995  Online: $995

**The Scientific Program Package**
For those who just want the scientific program sessions (170+) and related reference material, this package is for you. Pick your format and delivery mode.

Audio: $699  AudioPoint: $799  Online: $799

**CME75 Package**
75 scientific sessions with highly relevant clinical content. Faculty present practical information that can immediately be applied to patient care. This package is designated for up to 75 AMA PRA Category 1 Credit(s)™ and 75 MOC points. See pages 4 to 7 for sessions included in the CME75 Package. Sessions are indicated by the 7% symbol.

Online: $995
Add to The Works Package for only $295

**CME15 Package**
CME15 is an excellent way to keep abreast of recent advances and controversies in internal medicine. The Updates provide an analysis of the year’s most important published papers in internal medicine and the subspecialties. The Multiple Small Feedings of the Mind sessions provide evidence-based answers to difficult patient management problems. This package is designated for up to 15 AMA PRA Category 1 Credit(s)™ and 15 MOC Points.

Online: $495

All pricing shown is ACP member pricing. Non-member pricing will reflect a 10% surplus charge. Please visit www.playbackacp.com/mail1 for full pricing details.
Hospital Medicine Package
Perfect for the busy physician practicing in an inpatient setting, the Hospital Medicine Package includes over 35 hospital medicine sessions along with two popular Pre Courses: Perioperative Medicine 2016 and Critical Care Medicine 2016.

See pages 4-7 for sessions included in the Hospital Medicine Package. Sessions are indicated by the L57847.

Audio: $395  AudioPoint: $495
Online: $495  Works: $595

Add on:
CME75 Package to the Hospital Medicine Works Package for $495

Pre-Course Package
This collection includes six full-day pre-courses and the corresponding reference material. Available in all formats-select the one that best suits you.

Audio: $499  AudioPoint: $599
Online: $599

Create Your Own Package-20 Pack
Choose any 20 scientific sessions and create a customized learning package.

Choose your format
Audio: 20 sessions for $339
AudioPoint: 20 sessions for $399

Individual sessions are available for $20. See website for full list.

CME Credit and MOC Points
The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

The ACP designates each enduring material for the number of AMA PRA Category 1 Credits(s)™ listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME75 Package: 75 AMA PRA Category 1 Credits(s)™
CME15 Package: 15 AMA PRA Category 1 Credits(s)™
Maintenance of Certification Exam Prep Course: 22 AMA PRA Category 1 Credits(s)™
Internal Medicine Board Review Course: 45 AMA PRA Category 1 Credits(s)™

Successful completion of these CME activities, which includes participation in the evaluation component, enables the participant to earn MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

All pricing shown is ACP member pricing. Non-member pricing will reflect a 10% surplus charge. Please visit www.playbackacp.com/mail1 for full pricing details.

Order online: www.playbackacp.com/mail1 or call toll-free 800-241-7785. Refer to MD5118M1 for discount pricing. See order form for special discounts.
