RECORDINGS

AUDIO | VIDEO | ONLINE

Over 170 scientific sessions were recorded
at the 2018 Internal Medicine Meeting.
Now you can own these Recordings!

Education Delivered Your Way

Over 170 Scientific Program Sessions and 8 Pre-Courses from Internal Medicine Meeting 2018 are available as recordings. Choose from a variety of media formats and packages, some with CME credit and MOC points. Select exactly what works best for you. Whether you are preparing for the ABIM certification or recertification exam, or just want to keep abreast of the latest in internal medicine, these Scientific Session recordings make it easy to get the invaluable information you need. Order your ACP recordings today!

Packages are delivered on a USB flash drive or CD/DVD.

Pre-Course Package

Includes eight full-day Pre-Courses and the related reference material.

Audio: \$499 | **Online Video:** \$599 | **Offline Video:** \$599

Scientific Program Package

Over 170 Scientific Program sessions and PDFs of related reference material.

Audio: \$699 | **Online Video:** \$799 | **Offline Video:** \$799

Internal Medicine Combo Package

Over 170 recorded Scientific Program sessions and 8 Pre-Courses, plus PDFs of related reference materials.

Audio: \$795 | **Online Video:** \$995 | **Offline Video:** \$995

Create Your Own Package-20 Sessions

Choose any 20 Scientific Program sessions and create a customized learning package. Includes PDFs of related reference material. See pages 5-8 for a list of sessions. **Please note:** This package can only be purchased online.

Audio: 20 sessions for \$339 | **Online or Offline Video:** 20 sessions for \$399

Individual recordings:

Audio: \$20 | **Video:** \$25

Please note: Individual recordings can only be purchased online.

The Works Combo

This Package Has It All!

- ✓ 170+ Scientific Program sessions
- ✓ 8 Pre-Courses
- ✓ All recording formats
- ✓ PDFs of related reference material
- ✓ Instant online access
- ✓ FREE shipping within the U.S.

Audio, Online Video, Offline Video: \$1295

Need CME credit and MOC points?

Add the **CME 75 Package** to The Works Package for \$295!

All pricing shown reflects ACP member pricing. Nonmember pricing is 10% higher.

CME 75 Package Earn CME credit and MOC points.

75 scientific sessions with relevant clinical content. Faculty present practical information that can immediately be applied to patient care. This package is designated for up to 75 AMA PRA Category 1 Credit(s)[™] and 75 MOC points. See pages 5-8 for sessions included in the CME75 Package. Sessions are indicated by the **75** icon.

Online Video: \$995 | **Online Video Plus USB Flash Drive:** \$1,095

Add to The Works Package for only \$295

CME 15 Update Package Earn CME credit and MOC points.

CME15 Update helps you follow recent advances and controversies in internal medicine. Twelve Update sessions are included, providing an analysis of the year's most important published papers in internal medicine and the subspecialties. Three "Multiple Small Feedings of the Mind" sessions are also included, giving evidence-based answers to difficult patient-management problems. This package is designated for up to 15 AMA PRA Category 1 Credit(s)[™] and 15 MOC points. Sessions are indicated by the **15** icon on the course listing on pages 5-8.

Online Video: \$495

Hospital Medicine Package

Perfect for busy physicians practicing in an inpatient setting, the Hospital Medicine Package includes over 35 hospital medicine sessions, along with two popular Pre-Courses—"Hospital Medicine: From Admission to Discharge" and "Critical Care Medicine 2018." Sessions are indicated by the **H** icon on the course listings on pages 5-8.

Audio: \$395 | **Online Video:** \$495 | **Offline Video:** \$495 | **Works:** \$595

Add the CME 75 Package to the Hospital Medicine Works Package for \$495

Sample Hospital Medicine Sessions

- Update in Hospital Medicine
- Acute Coronary Syndromes: Nomenclature, Guidelines and Drugs
- Antibiotic Stewardship and Infection Control: Latest Treatments and Management
- Hazards of Hospitalization in the Elderly: Get Them Out of Bed and Moving
- Consult Talk

All pricing shown reflects ACP member pricing. Nonmember pricing is 10% higher.

Package Formats

Everything you need to learn on the go.

Format	Devices	Key Benefits
Audio 	Computer, MP3 Player, Mobile Device	Hear the presenters. Delivered as flash drive or optional MP3 CD 
Offline Video 	Computer, Tablet, Mobile Device	Hear the presenters and watch synced PowerPoint. Delivered as Flash Drive or optional DVD-ROM 
Online Video 	Computer, Tablet, Mobile Device	Hear the presenters and watch synced PowerPoint. All Sessions immediately available online.

Remember:

- Audio and video recordings are not just limited to the Scientific Sessions— all eight pre-courses are available as well. Purchase them to access unique, valuable content on critical care, hospital medicine and more!
- Want CME credit & MOC points? Several packages include these options.

Pre-Course (1- and 2-day courses)

- P1 Advances in Therapy
- P2 Cardiology for the Internist 2018: The “Key Points”
- P3 Critical Care Medicine 2018 **H**
- P4 Diabetes for the Internist 2018
- P5 Hospital Medicine: From Admission to Discharge **H**
- P6 MACRA, MIPS, and APMs: Strategies for Success within the Quality Payment Program
- P7 Neurology for the Internist
- P8 Perioperative Medicine 2018

Cardiology

- 101 Abnormal ECGs: Case-Based Identification and Therapies **75**
- 102 Atrial Fibrillation: Drugs, Devices, and Ablation **75**
- 103 Evaluation of Cardiac Chest Pain and Management of Chronic Angina **75**
- 104 Heart Disease in Women **75**
- 105 Heart Failure: Updated Management to Optimize Outcomes **75**
- 106 Hypertension: Urgencies and Emergencies **75**
- 107 Preventive Cardiology: High-Value Risk Stratification **75**
- 108 The Orthostatic Outpatient
- 109 Update in Cardiology **15 75**
- 110 Valvular Heart Disease: Diagnosis and Management **75**
- 111 Vascular Disease: Updated Management **75**

Career and Professionalism

- 112 *Annals of Internal Medicine*: Recent Articles that Should Influence Practice, Policy, or Education
- 113 Career Transitions: Traversing the On and Off Ramps

- 114 Health Care as Collaboration: Using Patient-Physician Engagement to Bring Joy and Value to Your Patients, Your Practice, and You (or How I Learned to Stop Worrying and Love Engaged Patients)
- 115 Infectious Diseases for the International Volunteer
- 116 Interpreting the Medical Literature: Pearls and Pitfalls
- 117 Meaningful Credential in a Fact-Free World: An Update from ABIM
- 118 Medical Reversal: When Best Practice Changes
- 119 Patient Priority Care: Transitioning from What’s the Matter with You to What Matters to You
- 120 Presentation Skills for Physicians: Making Your Next Teaching Presentation Go Better than Your Last
- 121 Teaching Strategies to Change Culture to Optimize Professionalism and Team-Based Care
- 122 Where to Start with Medical Volunteering
- 123 Why Engaging Patients Is Today’s Blockbuster Drug

CME Credit and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

The ACP designates each enduring material for the number of AMA PRA Category 1 Credit(s)[™] listed below. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME75 Package: 75 AMA PRA Category 1 Credit(s)[™]

CME15 Update Package: 15 AMA PRA Category 1 Credit(s)[™]

Maintenance of Certification

Exam Prep Course: 22 AMA PRA Category 1 Credit(s)[™]

Internal Medicine Board Review Course: 45 AMA PRA Category 1 Credit(s)[™]

Successful completion of these CME activities, which includes participation in the evaluation component, enables the participant to earn MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.
